Digital Time Lock Model 3006/3007

**ADVANCED FLEXIBILITY.
UNCOMPROMISED SECURITY.**

Sargent and Greenleaf's Digital Time Lock gives small businesses and retail outlets all the benefits of a high security, digital solution while expanding flexibility with advanced features. Easily program access schedules, download audit events, and review data in a secure, user-friendly online interface. Digital Time Lock makes securing your assets—and your peace of mind—simple.

FEATURES

- **PINPOINTED ACCESS.** Four opening schedules allow more shift coverage and access control without overriding security.

- **ENHANCED AUDIT DATA.** Digital Time Lock records up to 1000 time- and date-stamped audit events with a quick USB download feature.

- **USER-FRIENDLY INTERFACE.** Digital Time Lock requires no additional software to program. A simple website interface and intuitive process make programming quick and easily transferrable.
